Dear Louisiana Board of Ethics,

I am writing this letter respectfully requesting the Louisiana Board of Ethics to waive my campaign finance disclosure report penalties and fees for failure to file a 30<sup>th</sup> Day Prior to Primary Report by September 24, 2015. I was 3 days late. I am asking for a pardon for defaulting in filing my report timely due to a miss reading of the initial filing date on the enclosed paperwork I received when I filed to run for State Representative, District 4 in Caddo Parish, Louisiana.

If you check my other reports after this one, I was not late filing any of the other reports. This default was unintentional on my part. Please consider my request and I appreciate your understanding.

If additional information is needed, please do not hesitate to contact me at 318-518-3366.

Sincerely,

Reginald D Johnson
